### **Dr. Arthur C. Jee Elected Vice President of the American Association of Oral and Maxillofacial Surgeons**

**[Rosemont, Ill]** Dr. Arthur C. Jee, DMD, of Laurel, Maryland, was elected vice president of the American Association of Oral and Maxillofacial Surgeons during the association's 91<sup>st</sup> Annual Meeting, Scientific Sessions and Exhibition in Toronto, Ontario, October 12-17, 2009. Prior to his election, Dr. Jee served four years on the AAOMS Board of Trustees as the District II trustee, representing the oral and maxillofacial surgeons of Delaware, the District of Columbia, Maryland, New Jersey, Pennsylvania, and the US Air Force, Army and Navy.

"I am grateful to my OMS colleagues for their confidence in my ability to serve as Vice President of the American Association of Oral and Maxillofacial Surgeons," said Dr. Jee following his election. "As the association's Vice President, I look forward to continuing my efforts to further the goals of the Association and help our fellows and members provide the full scope of OMS practice to their patients."

Dr. Jee is a diplomate of the American Board of Oral and Maxillofacial Surgery and an AAOMS fellow. A delegate to the AAOMS House of Delegates for nearly 10 years prior to his two terms as Trustee, he was named 2004 Committee Person of the Year in recognition of his service on the AAOMS Committee on Continuing Education and Professional Development, which plans and oversees implementation of all association professional continuing education programs.

In addition to AAOMS, Dr. Jee has been treasurer, parliamentarian and Speaker of the Maryland State Dental Society; past president of the Maryland Society of OMS, a member of the executive board of the Middle Atlantic Society of OMS. His professional affiliations include the International Association of Oral and Maxillofacial Surgeons, International Society of Cleft Lip/Palate, American Dental Society of Anesthesiologists and Academy of Osseointegration. He is a graduate of the University of Louisville School of Medicine and Dentistry, and completed his oral and maxillofacial surgery residency at the Washington Hospital Center, Washington, DC.

*More than 5,000 registrants, including oral and maxillofacial surgeons from around the world, attended the AAOMS Annual Meeting where they conducted association business, discussed surgical procedures, earned continuing education credits and met with dental industry suppliers.*

**Saving Face | Changing Lives** — *The American Association of Oral and Maxillofacial Surgeons (AAOMS), the professional organization representing more than 8,500 oral and maxillofacial surgeons in the United States, supports its fellows' and members' ability to practice their specialty through education, research and advocacy. AAOMS fellows and members comply with rigorous continuing education requirements and submit to periodic office examinations, ensuring the public that all office procedures and personnel meet stringent national standards.*
